

CAPACITY TO SPARE WHEN YOU NEED SERVICE!

Joe Ballor Towing, Inc. is continuously investing in the right equipment to service the needs of all our customers. When you call, you have the right to expect prompt and professional assistance, and our company's goal is to exceed those expectations.

Since our 1939 start in the vital transportation segment known as the towing and recovery industry, we have set high standards. We have continued to grow through three generations of family members, and we are ready today to extend our service to your company or family any time – day or night – you need towing, recovery or transport services in Michigan or the surrounding region.

FLATBEDS & CAR CARRIERS

Our flatbeds and car carriers are equipped with the latest in secure tie-down systems and our professional drivers are trained to utilize them. When your vehicle is in our care, you can be sure it's safe and secure. You can trust us to handle your equipment with professional care.

Think of Joe Ballor Towing, Inc. as your transportation partner when it comes to construction moves as well as cars or trucks. We are the go-anywhere, do-anything company, and we can get to your job site with the equipment you need on time.

A LEGEND IN
EXPERIENCE
SINCE 1939

CHALLENGE US WITH ANY PROBLEM!

When things go wrong, we're ready 24 hours a day to dispatch the right equipment—no more and no less—to get the job done. We've had 7 decades of experience handling the most difficult recoveries, and we've enjoyed the challenge!

From one of our two locations our trained dispatchers will assist you in meeting your needs.
