

Chwarae Teg Newsletter

Winter 2010-11

Hello all parents and carers, just a few little notices for you:

Just a reminder that we generally stop serving Breakfast at 9.30am so we can get on with the rest of our day's activities. If your child will be arriving after 9.30am, please ensure they have eaten Breakfast at home.

I am sure you have noticed that we are now using computerised invoices, keeping us in line with the 21st Century. Thank you for your patience as we familiarise ourselves with the new system.

We have recently launched a website which we will be developing over the new few months. Please take a look at

www.chwaraetegnursery.co.uk

We welcome any feedback and suggestions you may have.

If your child(ren) will be starting full time school in September and you would like for them to attend our After School Club upstairs, please could you put the days you will require in writing so we can assess the availability for each day.

I have now enrolled on a two year Geiriau Bach course which promotes the Welsh Language with children through everyday conversations. I am sure it will be a lot of hard work but it will really benefit the Nursery.

Another little reminder that if your child attends morning sessions, please be aware that these sessions end at 1pm as the afternoon sessions also begin at 1pm.

We are trialling another new system in reception with our pegs and have allocated children to a peg. Some children are sharing their peg with another child who comes to the nursery on a different day. The name tags have proved a success so we will continue with these also, and purchase some stronger, wooden pegs.

Your Name

Over the next few months, we will be organising a few events to raise money for Charity. We will be participating in National Doodle Day, The Toddle Waddle and Red Nose Day to name a few. More information will be distributed closer to the time of the events.

Just a final little reminder, to please ensure that your child comes with a spare change of clothes in their bag. With food, paint, and many a messy activity throughout the day, despite our best efforts, we cannot 100% guarantee that clothes will stay completely clean so a spare change is advisable.

Many Thanks!

Jennifer and all the staff
