

Pre School Newsletter Winter 2010-2011

First of all we would like to wish all of our children and parents a very Happy New Year and we hope 2011 is a safe and happy one for you all.

In December we went to see Cinderella in pantomime at Venue Cymru. The children (and staff) all had a blast and really enjoyed the show. We were so happy with how well behaved the children were on the trip, we are lucky to have such well mannered children.

We have recently introduced our new cuddly toy dog, Bengy, to the children in Pre-School. Bengy has been a great success and the children adore him! They have all been so kind to our new friend and on behalf of Bengy, we would like to thank all the children for making him very happy.

As it is becoming a lot milder compared to the freezing cold weather we have been having we are now ensuring that the children get plenty of fresh air and outdoor play.

Seeing as it is nearly coming to the end of January we are hoping to, at the start of February, get the children to plant their own flowers in our planting boxes outside

the Nursery and continue to look after them by themselves. We may even visit a Garden Centre to see how the flowers are looked after there.

We have been doing different themes every 2 or 3 weeks in Pre-School and over the next couple of months we hope to do a theme on the Arctic as the weather has been so cold, and a theme on Pets as the children love to talk about their cats, dogs, tortoises etc. During this theme we will be taking the children on a trip to the pet shop so then children can see all different kinds of pets, what they eat and where they live.

We have been very lucky to have a lovely lady called Ffion visiting us on a Monday Afternoon. Ffion is from Twf, A Welsh Language Board Project, and is helping us to promote the Welsh Language through stories and songs.

Gráinne, Tara and Sue
